## EMPOWERED DECLARATION FOR:

# For Victory Over Outer Conditions

In the name of Love, Wisdom and Power, by the authority and victory of my own Beloved I AM Presence, I demand, command *and accept* every cell, atom and electron of my physical body to blaze with the sacred Fire of Invincible Love and Healing Flames from my beloved I AM Presence and the Ascended Masters of Light.

I ask for the action of the law of forgiveness for my every transgression of the law of Love in my daily life and the past. I command the invincible Flames of Purity, of Protection, of Resurrection and Healing to blaze through my physical body, my emotional body, my mental body, my etheric body, my inner child and my body elemental, daily and hourly. In the name of love, I command my full mastery and victory over all *limiting* outer conditions in my life to be made manifest. I also ask the opening and return of all my spiritual gifts. And so it is, beloved I AM!

I call upon the law of forgiveness for my errors of the past. I extend forgiveness to all souls I have ever hurt in any way shape or form in this lifetime and beyond. I also extend my forgiveness to all souls that have ever hurt me. I call upon the Eternal Flame of Cosmic Love to seize these energies to be drenched in the fires of the Violet Flame and Ascension Flame. I give thanks for this healing.

*As we are all One, I request and claim this healing and empowered transformation on behalf of myself and every man, woman and child on Earth.*

Beloved I AM! Beloved I AM! Beloved I AM!
